

Dave Baeumel Joins AGSI as Vice President of Customer Solutions

Experienced sales veteran and IT professional brings a successful track record and 25 years of experience to the management and technology consulting company

ATLANTA (May 9, 2006)—AGSI, a management and technology consulting company, today announced that Dave Baeumel has joined the company as Vice President of Customer Solutions. In this role, Baeumel will be responsible for helping to spearhead lead generation and business development efforts.

Baeumel is a seasoned business development professional with more than 25 years of experience in a variety of industries including banking and finance, retail, distribution, and manufacturing. Prior to joining AGSI, he held senior management positions for organizations in the consulting and professional services industries. Some of his clients include SunTrust, Bank of America, Wachovia, Regions, GE Power, Coca-Cola, Southern Company, Federated Systems Group and Georgia Pacific.

“We are pleased to have Dave Baeumel join our business development team,” said Terrie Jones, Founder and Chairman. “His professional services industry experience and leadership is an asset to our organization and will help to continue powering our growth in the Southeast.”
